

Amendments to the Specification

Please amend the specification by adding the following paragraph to the specification following line 33-34, which read: *All patents, applications, and publications cited in the above text are incorporated herein by reference* and just prior to the Claims:

The Sequence Listing on compact discs marked Copy 1, Replacement 10/13/2006; and Copy 2, Replacement 10/13/1006, which contain sequences 1-31, and which was created on October 13, 2006, contained in a file of size 6996 bytes, is incorporated by reference herein.
